Worried about answering a blind box ad...
because you don't know who the advertiser is?
If you are worried about answering one of these blind box number ads since it may be your own firm—simply do this: place your letter of application in an envelope addressed to the box number and then seal it. Then put that envelope in another envelope, and address it to the Classified Department, Press-Republican, 170 Margaret St., Plattsburgh, NY and enclose the names you do NOT want to receive your reply. If one of the companies (or individuals) you listed placed the ad, we'll simply discard your reply. Sorry, but we cannot return your letter without violating the confidence of our advertisers.

Field Service
These positions require minimum travel and are available immediately in Plattsburgh, NY.
Measurex Corporation supplies turnkey process control systems for the paper, pulp, rubber, plastics, metals and energy intensive industries. Our growth continues to offer exciting career opportunities for technicians to assume total responsibility for Measurex systems operation at customer sites.
We require a minimum of 2-3 years' digital experience, preferably as a service technician working with real-time data acquisition systems. A thorough understanding of basic electronics is essential.
We offer a formal training program, attractive starting salaries, cash profit sharing, and a liberal benefits plan. To apply, please send your resume to Mike Corso, Field Technical Manager, 5 Liden Street, South Glens Falls, NY 12801; (518)798-9574. We are an equal opportunity employer.
